TRADITIONAL HOMES
STAFFORD

14.50m x 12.30m

floorplan unscaled
 (furniture is only artist's impression)

Stafford is a traditional home with love for details and a great design. The dutch gable adds a nice feature to the exterior appearance and the covered verandah creates an appealing roof line. Stafford has an open floor plan which offers a great entertainment area incorporating the lounge, kitchen and dining. A curved feature wall separates it from the bath and laundry area without closing off the light. The large verandah offers sun protection for children's bedrooms and provides a great place to relax.
