TRADITIONAL HOMES HUNTINGTON

floorplan unscaled
 (furniture is only artist's impression)

The Huntington displays grandeur and balance in the design. The entry is centrally located and has welcoming doors and entry inviting visitors to enter. The design separates living from the bedrooms for added privacy. Parents have their own special retreat with a sunroom to relax and take time out with a good book or watch TV. A generous entertaining area is located at the rear of the home with easy access to the kitchen and dining areas. Huntington will meet the wishes of everyone in the family. .
