MODERN HOMES

# TORRES

*floorplan unscaled*  
 (furniture is only artist's impression)

15,00 m x 12,00 m

The Torres is dynamic in presentation and street appeal. The modern roof lines and blends of building materials create different lines and texture to the exterior of the home. Many of the rooms have access to outdoor areas that offer a place to retreat and relax. This home has been designed to suit the small urban house block without compromising on presentation or livable space.
