BRICK HOMES
WINTON

floorplan unscaled
 (furniture is only artist's impression)

14.00m x 12.41m

The Winton looks great. The open plan utilizes every available space. It works by opening up the living area and giving the other rooms privacy from the main living room. The family room is surrounded with windows allowing in natural sunlight to filter throughout the home and making this a great place to relax during those cold winter days. The Entertainment unit will look great in the large lounge room. The main bedroom is separated from the other bedrooms and has it's own ensuite and walk in robe.

Total area 146.26 m²
